

## Certificate of Deposit

Nexus Inc. Quarter 6

---

At this point in the life of your business, you might be generating more cash than you are using. If you have excess cash, consider investing some money in a 3-month certificate of deposit. Be careful how much you invest, you do not want to see the loan shark.

### **YOUR TASK**

In the Workspace, enter the amount your company would like to withdraw from the certificate of deposit this quarter, or the amount you wish to add to it.
